REFERENCE LETTER

Dene Marfleet has been our family and business accountant for the past four years since the new GST system was brought in. Previously we had an advisor for over 28 years, but hadn't realised how poor the service was till we switched to Dene. He's a great discovery - providing an excellent, efficient and reliable service, always on hand when we need him.

Our family business, SC Constructions, has grown significantly in the past few years. Thanks to Dene our end of year tax returns have been a smooth and fast process, plus with his regular advice we've maximised our superannuation and preserved cash flow.

We would recommend Dene to everyone for quality, practical advice and expertise delivered in a professional and friendly manner. We thought it'd be difficult to change over but it wasn't and has been well worth it, should have done it years ago.

Yours sincerely
