Dear Jeff,

Just a short note of appreciation for all your efforts in 2004 to assist us with the new logo and branding strategy for Dynamic Safety Solutions.

We are sure you will agree, the new look is very impressive.

The printer was able to deliver all of our stationery on Christmas Eve, and we have today been using the new letterhead to advise our existing clients of the name change.

Cameron will make contact with you in the next few weeks following your return from leave to discuss your ongoing involvement with our business.

There is one outstanding Service Report which you forwarded via email on the 23<sup>rd</sup> December 2004 which will be taken care of today.

I trust your leave over the Christmas and New Year period left you refreshed and ready to tackle another year.

Sincerely,

Cameron Blyth
