Regarding the recruiting services of Edensilk Pty Ltd

While we were searching for a replacement sales representative, Sandy contacted me at a timely manner. Having already searched the market without finding anyone, we were more than happy to receive her offer of finding a sales superstar.

The result was great – we got the person we wanted, and didn't have to spend the time sifting through resumes. Sandy was able to find the right sort of fit for our business, as well as bring someone to us who had good sales capabilities.

Sandy is a likeable and trustworthy person, and I like doing business with her.

Yours sincerely

Mike Trimble
